

ARE YOU KLUBBENS NEW DJ?

Klubben is the Friday bar of Studenterlauget, which each semester hosts some of the biggest student parties in Aarhus. We are a socially active team consisting of students who work together to create the best atmosphere for our guests. A team that you now have the opportunity to become a part of.

Team player with drive and a strong passion for music

Studenterlauget is currently looking for a DJ who can take center stage at the Friday parties during Klubben's diverse events. Along with the rest of the staff, you will be a core part of the DJ team that helps define Klubben's musical identity.

As a DJ at Klubben, you will have the opportunity to:

- Make your musical mark on some of Aarhus' biggest student events
- Create great experiences for yourself and your fellow students
- Cultivate your unique musical style
- Build connections within Klubben and other branches of Studenterlauget

Klubben will be the students' preferred Friday bar – therefore, we expect:

- That you have previous experience as a DJ and have matured musically
- That you are a student with at least two years remaining in your studies
- That you are willing to take risks behind the decks while also adapting to Klubben's basic musical framework
- That you are eager to contribute to the social environment in and around Klubben
- That you are always friendly and smiling towards Klubben's guests in all situations

Are you motivated to join the DJ team at Klubben?

We would love to hear from you! Send your application to s1bar@studenterlauget.dk. If you don't feel that you meet all the requirements listed, you are still welcome to apply.

Application deadline 27. February 2026

Please read our [Recruitment Policy](#) before applying for the position.
