

## Master Introduction Week 2026

### Become project manager for Master Case 2026

We are currently looking for two project managers for Master Case 2026, which is an important part of the Master Introduction Week. As project manager for Master Case 2026, you have the opportunity to gain valuable experience with project management and partner contact. **We point out that previous work experience is in no way a requirement, but instead something we offer!**

This is your chance to test your skills in a business-relevant area which includes:

- Overall responsibility for planning, coordination and execution of Master Case 2026
- Continuous dialogue and coordination with partners
- Development and optimization of the concept

#### We offer:

- Experience with project management
- The chance to extend your network across different semesters and study lines at Aarhus BSS
- Expansion of professional network through partners and stakeholders
- The opportunity to be a part of the passionate team behind the Master Introduction Week
- Social events all throughout the summer

We thus offer an extremely business-relevant student job, which will certainly give your CV a boost and help you on your way to a job after finishing your studies.

#### What do we expect?

You do not need experience - you will get that along the way. The only requirements we have for you are:

- You are a student at Aarhus BSS.
- You can communicate effectively in English.
- You are structured, organized, and responsible.
- You want to be a part of the Master Coordinator Team and help plan the Introduction Week during the summer

*We expect that you are able to participate during the Master Introduction Day (June 20th), Master Days (August 20th-21th), and the Introduction Week (August 27th - August 28th). We expect that you can start the position at the beginning of April. The workload will differ from now until the end of summer with the highest workload in the weeks before and in the Introduction Week.*

#### How do you apply?

If the position sounds like a fit for you, send your application and your resume to [masterintro@studenterlauget.dk](mailto:masterintro@studenterlauget.dk) no later than the 29th of March 2026. The interviews will take place in week 14 & 15.

If you have any questions, please do not hesitate to contact us at [masterintro@studenterlauget.dk](mailto:masterintro@studenterlauget.dk).
