

KLUBBEN · AARHUS BSS

Become a bartender in Klubben

Are you ready to pour the first beer of the weekend and become part of the liveliest bar at Aarhus BSS?

Klubben is the student bar at Studenterlauget — a daytime hangout that turns into a lively Friday bar and nightclub, and the host of big events such as Club Klub and Børsbar.

We are looking for outgoing students who thrive in hectic situations. **Previous experience as a bartender is not required** — we expect you to be service-minded and dedicated to creating a great environment for the students of Aarhus BSS.

What will you be doing?

As a bartender you are the face of Klubben, making sure every shift runs smoothly. You will:

- Serve guests during daytime hours, Friday bars and club nights.
- Help run big events such as Club Klub and Børsbar.
- Keep the bar stocked, clean and ready for the next rush.
- Create a great atmosphere together with the rest of the bar staff.

Who are you?

You do not need a bartending background — you need the right attitude. We imagine that you:

- Are polite and smiling towards the guests in Klubben.
- Can juggle multiple things at once — figuratively speaking ;)
- Are fluent in English and are currently studying.
- Most importantly, want to become part of a great social community.

What do you get out of it?

A job in Klubben is more than shifts behind the bar. You join a group of fellow students who help each other out — and you build experience that follows you beyond your studies:

A social workplace with students

Service and customer contact

New friends and new people

Teamwork under pressure

A big international network

Running large events

Practical information

If you are an international student, you must have a Danish CPR-number and a Danish bank account before you can be paid.

We cannot guarantee that working in Klubben makes you eligible for SU.

Please read our [Recruitment Policy](#) before you apply.
